TONY CHESTNUT
(TUNE: 10 little children)

Tony (touch your baby's toes and knees)
Chestnut (touch your baby's chest and head)
Nose (touch your baby's nose)
I (touch your baby's eyes)
Love you (touch your baby's heart)

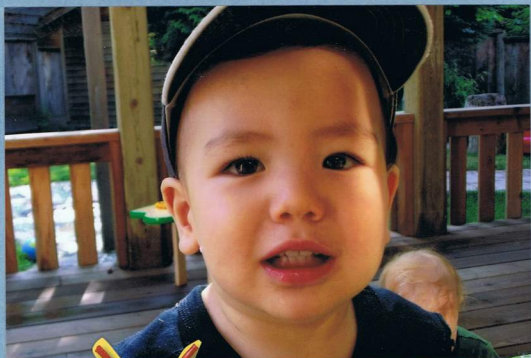

Sing this song 3X pointing to body parts each time and end song by singing

And that's what Tony knows (toe, knee, nose)

Fall at Coho. Ryan loved exploring the leaves on the table so much he just had to hop right in! (Ryan, Hazen and Megan).

If he really enjoyed his food he would make sound effects "ooooo oooo ooo". Sometimes if he got up really early that morning he would fall asleep in his yogurt and the teachers would have to clean him up, change his diaper and put him on his cozy bed for nap time. He would sleep a very long time. We could have snack with all the children right by his mat and he would keep on sleeping!

Ryan enjoyed lunch time with his friend Oliver. The teachers at Coho loved watching Ryan eat. He loved to feed himself, and it could get a little messy at times.

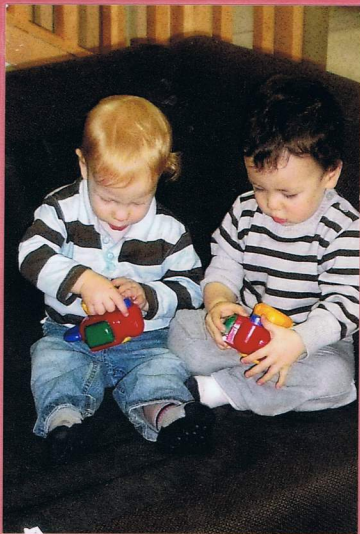

Reading time! Ryan loves reading books with his teachers. He specially loved the *Wheels on the Bus* book. If the teachers started singing, Ryan would get up and wave his arms and do squats at the same time! Such great coordination!

Lonely Bluebird

BY JENNIFER BOVÉ

**Hello, friend!
Come sit with me.
There's lots of room for two.
How warm and cozy it would be
to snuggle up with you.**

Ryan with some of his friends (Hasen and Megan).

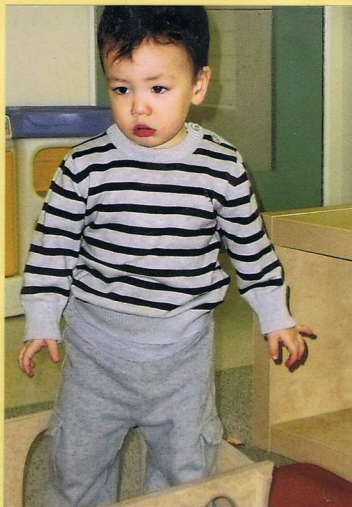

Ryan did you just wake up from a nap?

Ryan painting at the art table.

Ryan, I think you might be too big to fit in the barn!

Little Pony

I have a little Pony, I feed him oats and hay

I open up the stable doors and send him out to play

Oh, galloping here, galloping there
galloping, galloping everywhere

He never stops until I say

"Whoa my Pony"

3 Little Monkey's

Lilian, Nicholas and Darren's favourite song

Three little monkeys swinging on a tree

Telling Mr. Crocodile "you can't catch me"

Along comes Mr. Crocodile quiet as can be ...

SNAP

Two little monkeys swinging on a tree

Telling Mr. Crocodile "you can't catch me"

Along comes Mr. Crocodile quiet as can be ...

SNAP

One little monkey swinging on a tree

Telling Mr. Crocodile "you can't catch me"

Along comes Mr. Crocodile quiet as can be ...

SNAP

"Missed me, Missed me, now you've gotta kiss me"

Ryan with the water play toys outside in the summer sun.

Gross motor time! Everybody ran over for couch jumping time! (Hasen, Megen and Riley Maru).
